PARTNERSHIP INTEREST AGREEMENT

Admission of Partner and Grant of Seven Percent (7%) Ownership Interest

This Partnership Interest Agreement (the "**Agreement**") is made and entered into on this **27th day of August, 2026** (the "**Effective Date**").

1. PARTIES

This Agreement is made between:

(A) AZRAA CONGLOMERATE (also referred to as "Azraa", the "Conglomerate", or the "Firm"), an enterprise grouping comprising, without limitation, AZRA Partnership, Azraa Institute of Information Technology / AIIT Academy (www.aiit.network), and AZRAA e-commerce operations, with registered office at **No. 36 A, Farook Nagar, Kovaipudur, Coimbatore – 641 042, Tamil Nadu, India**, acting through its existing partners:

- **Mr. David Charles Eboh**, Managing Partner;
- **Dr. Mrs. Anne Susan Georgena S**, Partner; and
- **Mr. Chidiebere Michael Eboh**, Partner (nine percent (9%) interest).

(together, the "**Existing Partners**"); and

(B) Mr. Godcares Chibuokem Ndubuisi (the "**Incoming Partner**").

The Existing Partners and the Incoming Partner are together the "**Parties**" and each a "**Party**".

2. BACKGROUND AND PURPOSE

2.1 The Existing Partners carry on business under the Azraa Conglomerate banner in information-technology training and education, digital products and e-commerce, content production, and related India–Africa commercial activities.

2.2 The Incoming Partner has agreed to provide, and shall continue to provide, continuous value to the Conglomerate, including strategic contribution, operational support, network and relationship value, growth assistance, and such other services as the Parties may agree from time to time (the "**Continuous Value Contribution**").

2.3 In consideration of that Continuous Value Contribution, the Existing Partners agree to admit the Incoming Partner and to grant a **seven percent (7%)** ownership interest in the Conglomerate on the terms of this Agreement.

3. ADMISSION AND OWNERSHIP INTEREST

3.1 With effect from the Effective Date, the Incoming Partner is admitted as a partner of Azraa Conglomerate and is granted a **seven percent (7%)** ownership interest in the Conglomerate (the "**Interest**").

3.2 After the grant, the ownership of the Conglomerate shall stand as follows:

Partner	Interest	Nature
Mr. David Charles Eboh	42%	Founding / Managing Partner — share of the 84% founding block (equal split with Dr. Anne pending any written variation)
Dr. Mrs. Anne Susan Georgena S	42%	Founding Partner — share of the 84% founding block (equal split with Mr. David pending any written variation)
Mr. Chidiebere Michael Eboh	9%	Existing Partner — fixed interest (not reduced by this grant)

Mr. Godcares Chibuokem Ndubuisi	7%	Incoming Partner — granted under this Agreement
Total	**100%**	

3.3 Calculation of interests. Immediately before this grant the Existing Partners held one hundred percent (100%) of the Conglomerate, of which Mr. Chidiebere Michael Eboh held nine percent (9%). The seven percent (7%) Interest granted to the Incoming Partner is taken from the founding block previously held by Mr. David Charles Eboh and Dr. Mrs. Anne Susan Georgena S, and does **not** reduce Mr. Chidiebere Michael Eboh's nine percent (9%). After the grant that founding block is eighty-four percent (84%). Unless the founding partners record a different split in writing, that 84% is allocated equally, being forty-two percent (42%) to Mr. David Charles Eboh and forty-two percent (42%) to Dr. Mrs. Anne Susan Georgena S.

3.4 The Interest is an ownership interest in the Conglomerate as a going concern, including a corresponding share of profits and losses, subject to Clauses 5, 6 and 8. It does not, by itself, confer sole signing authority, control of bank accounts, or the right to bind the Conglomerate without the written authority of the Managing Partner, except as the Parties later record in writing.

3.5 No cash capital contribution is required from the Incoming Partner on admission. The sole consideration for the Interest is the Continuous Value Contribution described in Clause 4.

4. CONTINUOUS VALUE CONTRIBUTION

4.1 The Incoming Partner shall provide continuous, good-faith value to Azraa Conglomerate. Without limiting the generality of that duty, the contribution includes:

- strategic advice and practical support for growth of AIIT Academy, AZRAA, and related ventures;
- introduction of useful relationships, markets, partners, and opportunities;
- operational, commercial, or professional assistance as reasonably requested;
- protection of the Conglomerate's reputation, confidential information, and goodwill;
- developing, improving, testing, and deploying AI models and features into existing products and services;
- helping design, build, and improve AIIT Academy and AZRAA-related products;
- researching new AI technologies, tools, and approaches that can benefit the Conglomerate;
- identifying technical problems and continuously improving performance, reliability, and scalability;
- contributing technical content, documentation, proposals, demonstrations, or reports needed for government grants and funding;
- proposing and implementing new ideas, features, or solutions that increase the Conglomerate's network value;
- providing reasonable ongoing technical support and fixing issues related to systems developed;
- sharing technical expertise and helping other members of the team where that expertise is relevant;
- participating in technical and product decisions that materially affect the Conglomerate's development and growth; and
- such other value as the Managing Partner and the Incoming Partner agree in writing from time to time.

4.2 The Incoming Partner shall act honestly, diligently, and in good faith, and shall not compete with the Conglomerate or divert its opportunities while this Agreement remains in force.

4.3 The Parties shall review the Continuous Value Contribution at least once every twelve (12) months, or earlier if either Party so requests in writing.

5. PROFIT SHARE, DRAWINGS AND ACCOUNTS

5.1 Subject to working-capital needs, reserves, and lawful obligations, distributable profits (or losses) of the Conglomerate shall be shared in proportion to the ownership interests in Clause 3.2: **42%** Mr. David Charles Eboh; **42%** Dr. Mrs. Anne Susan Georgena S; **9%** Mr. Chidiebere Michael Eboh; and **7%** Mr. Godcares Chibuokem Ndubuisi.

5.2 No partner shall take drawings or distributions except as authorised by the Managing Partner in writing or as recorded in the Conglomerate's accounts.

5.3 Proper books of account shall be kept. The Incoming Partner may inspect the books on reasonable notice during ordinary business hours.

6. MANAGEMENT AND AUTHORITY

6.1 Day-to-day management and control remain with the Managing Partner, Mr. David Charles Eboh, unless the Existing Partners agree otherwise in writing.

6.2 The Incoming Partner is a participating partner, not the managing partner. The Incoming Partner shall not open bank accounts, borrow money, sell substantial assets, hire staff, or bind the Conglomerate to contracts above a threshold set by the Managing Partner, except with prior written consent.

6.3 The Incoming Partner may use the titles "Partner" or "Partner — Azraa Conglomerate" solely in connection with authorised Conglomerate business.

7. CONFIDENTIALITY AND INTELLECTUAL PROPERTY

7.1 Each Party shall keep confidential all non-public information of the Conglomerate, including student and customer data, curricula, pricing, supplier terms, strategy, and financials, and shall use it only for Conglomerate purposes.

7.2 All intellectual property created by the Incoming Partner in the course of the Continuous Value Contribution, or using Conglomerate resources, shall belong to the Conglomerate unless the Parties agree otherwise in writing.

7.3 Confidentiality survives termination of this Agreement for three (3) years, and indefinitely for trade secrets and personal data.

8. DURATION, VESTING AND CESSATION OF CONTRIBUTION

8.1 This Agreement commences on the Effective Date and continues until terminated under this Clause or by written agreement of the Parties.

8.2 Because the Interest is granted for **continuous** value, it is subject to continued performance. If the Incoming Partner ceases to provide the Continuous Value Contribution for ninety (90) consecutive days without written waiver from the Managing Partner, the Existing Partners may serve written notice. If the default is not cured within thirty (30) days of that notice, the Incoming Partner shall be deemed to have retired, and the seven percent (7%) Interest shall revert to Mr. David Charles Eboh and Dr. Mrs. Anne Susan Georgena S in the same relative proportion as they then hold the founding block, without further payment, except for any undistributed profit already allocated and due up to the retirement date. Mr. Chidiebere Michael Eboh's nine percent (9%) shall not change by reason of that reversion.

8.3 Either side may terminate this Agreement by ninety (90) days' written notice. On such termination, unless the Parties agree a buy-out in writing, the Incoming Partner's Interest shall be dealt with under Clause 8.2 or such other terms as they record.

8.4 The Incoming Partner may not assign, pledge, or transfer the Interest without the prior written consent of the Existing Partners.

8.5 Death or permanent incapacity of the Incoming Partner shall cause the Interest to be dealt with as the Parties may agree in writing, or otherwise as required by applicable law. No automatic transfer to heirs is granted by this Agreement.

9. NON-SOLICITATION

During this Agreement and for twelve (12) months after it ends, the Incoming Partner shall not, without written consent, solicit Conglomerate staff, trainers, enrolled students, or material commercial partners away from the Conglomerate for a competing education, e-commerce, or related business.

10. REPRESENTATIONS

Each Party represents that it has capacity to enter this Agreement, that doing so does not breach any other binding obligation, and that it will comply with applicable law, including Indian partnership and tax law and, where relevant, the laws of any other jurisdiction in which the Conglomerate operates.

11. GOVERNING LAW AND DISPUTES

11.1 This Agreement is governed by the laws of India. The Indian Partnership Act, 1932 applies to the extent not inconsistent with this Agreement.

11.2 The Parties shall first attempt good-faith negotiation for fifteen (15) days. Failing settlement, disputes shall be subject to the exclusive jurisdiction of the courts at Coimbatore, Tamil Nadu, India.

12. GENERAL

12.1 This Agreement is the entire agreement on the subject matter and supersedes prior oral or written understandings relating to the 7% grant. Amendments must be in writing and signed by the Parties.

12.2 If any provision is held invalid, the remainder continues in force. Waiver of one breach is not waiver of any other. Notices shall be in writing and delivered to the addresses above or such email as a Party designates (including director@aiit.network for the Conglomerate).

12.3 This Agreement may be signed in counterparts, including electronic or scanned signature pages, each of which is an original, and all of which together are one instrument.

12.4 This document is prepared as an operational draft for the Parties' review. It is not a substitute for independent legal advice. Stamp duty, registration, and any required amendment of the existing partnership deed should be completed under advice of counsel in Tamil Nadu (and, if needed, in any other operating jurisdiction).

IN WITNESS WHEREOF the Parties have executed this Agreement on the Effective Date first written above.
